FALK CARDIOVASCULAR RESEARCH FELLOWSHIPS

Applications are being accepted for Falk Cardiovascular Research Fellowships. Support is for full-time, basic or clinical research by qualified applicants training in cardiovascular sciences under the sponsorship of a Loyola faculty member. Fellowship applicants should hold MD, DO, DVM, and/or PhD degrees with less than 5 years of previous postdoctoral research training at time of award activation. (Note revised inclusion criteria). Funds may be used for salary supplementation up to a total of \$35,568 (exclusive of fringe benefits) per fellow. Up to \$5,000 per year may be used for supplies and small equipment. The total budget should not exceed \$46,060. Funding is available for a period of up to 2 years.

Applications are in the form of either an NIH Individual NRSA or an AHA Postdoctoral Fellowship. If a similar extramural

postdoctoral fellowship application was previously reviewed externally, applicants should provide pink sheets, and indicate if or how the Falk fellowship proposal differs from the original submission.

A cover letter should include the proposed budget, including other sources of support for the fellow's stipend. Questions about the program should be directed to Allen M. Samarel, MD, Director of Research, CVI at x72821, or via e-mail at asamare@lumc.edu. Applications should be submitted to:

Ms. Georgia Keleher
Administrative Assistant, CVI
Room 5220, Building 110, LUMC
Deadline for submission is July 1, 2005
