Seminars are held at 12:30 pm in the Cardiology Conference Room, Rm 6291.

For further information, contact Dr. Samarel at x72821

WHITE MEMORIAL FUND

Just another reminder that an endowment fund has been established to defray the cost of student travel and presentation at scientific meetings and to support the cost of publishing scientific manuscripts by medical and graduate students. The endowment has been funded by Richard E. White and Angeline (Faye) Schrater in memory of Mr. White's parents. Faculty members who require travel support for their students to attend scientific meetings, or to defray publication costs of student papers, should direct written requests for funding to Dr. Samarel, Director of Research, CVI.
