For further information, contact Dr. Ken Byron at x72819.

WHITE MEMORIAL FUND

Just another reminder that an endowment fund has been established to defray the cost of student travel and presentation at scientific meetings, and to support the cost of publishing scientific manuscripts by medical and graduate students. The endowment has been funded by Richard E. White and Angeline (Faye) Schrater in memory of Mr. White's parents. Faculty members who require travel support for their students to attend scientific meetings, or to defray publication costs of student papers, should direct written requests for funding to Dr. Samarel, Director of Research, CVI.

CARDIOLOGY BASIC SCIENCE SEMINAR

The Cardiology Division and the CVI Research Division are sponsoring a series of joint seminars by Loyola Faculty. The following seminar is scheduled at 7:30 am in the **Van Kampen Conference Center**:

October 11.....Dr. Walter Jeske

The title of Dr. Jeske's talk is:

"Monitoring Platelet Function"

For further information, contact Dr. Samarel at x72821
