

Senior Resident Teaching Month

In newborn nursery:

- ❖ Teach the newborn exam to the students at orientation
- ❖ Help the intern before and on rounds on switch day
- ❖ Go over newborn exam and Dubowitz on babies with students
- ❖ Cover at least 1 teaching topic per day
 - ❖ Blueprints cases (will need to coordinate with Dr. Martin for clerkship)
 - ❖ Old MRs
 - ❖ Nursery articles
- ❖ Help out with admissions as needed
- ❖ Cover the nursery when the intern is in clinic
- ❖ Review nursery quiz with PL-1 on the last day of the rotation
- ❖ Attend both morning report and noon conference as well as ensuring the attendance of the PL-1

On the peds floor:

- ❖ Have at least 1 teaching session per week with the students
 - ❖ clinical cases
 - ❖ topic discussion
 - ❖ physical exam rounds
- ❖ Act as “back-up senior” on Fridays
