

## M4 TEACHING REFLECTION

M4 Teaching Elective Student: \_\_\_\_\_

Keep a log of teaching events and include a brief reflection on your role as a teacher. Use this to help you recall events for a final reflection. Use the numbered questions as a guide only if needed.

Teaching site (#1)	Date	What went well? (#2-4)	Challenges (#5)	Planning (#6)	Other comments (#7)

1. List: PCM2, Surgery, OB-Gyne, or Alternate--state alternate
2. Did you accomplish what you intended for this session? (Please be specific in what was accomplished.) If not, consider why not.
3. Were you able to determine whether your students learned what you intended? How?
4. What do you feel worked well (major strengths) in this session? Consider the following: initiation, presence, ensuring interaction, active learning, content, clarity, and closing of the session.
5. What challenges did you encounter?
6. What might you change for next time? Even if all went well, you may wish consider improvements, innovations you may simply wish to try. Or "no change" for this type of session.
7. Anything else you may wish to remember about the session for later reflection.
