25	26	27	28	29	30	1
2	3	4	5	6	7	8
9	10	11	12	13	14	15
16	17	18	19	20	21	22

July/August 2023

S	M	T	W	T	F	S
23	24	25	26	27	28	29
30	31	1	2	3	4	5
6	7	8	9	10	11	12

P1-7

Schedule

- 2 blocks (1 4 week block and 1 3 week block)
 - 2 inpatient rotations
 - General medicine or subspecialty services
 - Loyola and Hines VA
 - 1 outpatient rotation and 1 inpatient rotations
 - Loyola (Hines)
 - Multiple outpatient sites

Daily Activities

- Inpatient
 - 6:00 AM: Preround (with house staff)
 - 9:00 AM-11:00 AM: Attending rounds
 - 12:00 PM: Conferences
 - 1:00-5:00 PM:
 - Follow-up with patients
 - Complete notes
 - Call and follow-up consults
 - Procedures

Daily Activities

- Outpatient
 - 8:00 AM – 12:00 PM: Morning clinic
 - 12:00 PM – 1:00 PM: lunch and commuting
 - 1:00 PM-5:00 PM afternoon clinic

Didactics

Lectures

- Occur in person on Tuesday afternoons
- Handouts accessible on website
- Mandatory
- Attendance with QR code

Case discussions

- Occur in person at Loyola and Hines
 - Outpatient may join or can review independently
- Student guides accessible on website
- Answer guides posted at weeks 4 and 7
- Mandatory

Journal Club

- 3 divided groups
- Article and discussion guide accessible on website
- Mandatory

Aquifer

- 36 online, interactive cases
- Cases and link listed on website

Required Patient Encounters

- Required patient encounters
- Alternate ways to complete
- Patient log cards

Direct Observation

- Required across clerkships
- Completed by attending or resident
- Track in mylumen
- Must complete by end of clerkship

- 1 observed history
- 3 observed lung and cardiovascular exam

Health Systems Science Integration

- IHI module PS 102 - From Error to Harm
 - Complete early in clerkship
- Paired activity:
 - Review instructional material on Incident Report (powerpoint slides)
 - Work with a resident or attending to submit an Incident Report OR at least discuss the process with them
 - Do NOT file an Incident Report without direct supervision
- Attestation on Sakai
 - Indicate if you participated in a submitting an Incident report under supervision OR you did not have a safety event and so did not submit one

Educational Resources

- Pocket Medicine
- Step-Up To Medicine
- Harrison's Principles of Internal Medicine and Harrison's Manual of Medicine
 - Updated links on website for all objectives
- Up-to-date
- Primary literature

Assessments and Grading

- NBME shelf examination 30%
- Free-text exam 10%
- OSCE and Clinical Reasoning Exam 10% (50% for each component)
- Clinical Performance 35%
 - 2 week evaluation 11.66%
 - 4 week evaluation 11.66%
 - 6/7 week evaluation 11.66%
- Radiology presentation 5%
- Clinical Question Conference presentation 5%
- 2 Graded H&Ps 5% (each 2.5%)
- Total cumulative points 30% honors, 40% high pass, 30% pass

Assessments and Grading

- NBME Shelf Examination
 - Occur on last day of clerkship
 - Pass is 58 (5th percentile nationally)
- Free-text examination
 - 5 short answer questions
 - Assess clinical knowledge and application
 - 1 hour and 15 minute examination occurring right before your OSCE during week 6

Assessments and Grading

- OSCE and Clinical Reasoning Examination
 - OSCE
 - 30 minutes for standardized patient encounter
 - Brief feedback with standardized patient
 - Clinical Reasoning Examination
 - Occurs directly after the SP encounter
 - Completed on computer in SDL room
 - 20 minutes
 - Document short patient history, physical exam
 - List up to three diagnoses and associated history/exam findings to support them
 - List up to six diagnostic tests you would like

Assessments and Grading

- Clinical Performance Evaluation
 - Inpatient:
 - Self-evaluation completed and given to team
 - Team evaluation, should be reviewed with you personally
 - Outpatient:
 - Self-evaluation completed and given to anchors
 - 2 week eval: primary care anchors ONLY, grades will be averaged
 - 4 week eval: primary care anchors AND specialists
 - 50% average of primary care anchors
 - 50% average of specialists
 - Physicians should review with you
 - Faculty development
 - Likert scale
 - 50%, 62.5%, 75%, 87.5%, 100%

Assessments and Grading

- Radiology presentation
 - Randomly assigned Tuesday afternoon
 - During an inpatient month
 - Power-point format, **5-10 minutes long**, deidentified imaging
 - Consult a radiologist
 - Review evaluation form
 - Clerkship director will grade

Assessments and Grading

- Clinical Question Conference presentation
 - Will occur throughout the clerkship at Loyola and Hines
 - Complete student form and use this as a guide to your presentation
 - May use power-point but not required
 - Review evaluation form
 - 5-10 minutes long
 - Graded by 2 faculty graders (scores will be averaged)
 - Should be attended by all students at the site

H&P write-ups

- 4 required H&Ps or progress notes
 - 2 MUST be H&Ps to be graded but all four can be H&Ps
- Do not wait until end to complete
- Review with residents and/or faculty
- Turn in to Vivian
- Select 2 to be graded for your assessment
 - Validated assessment tool
 - 1 graded by CD and 1 graded by ACD

SMART goal

- 1 required per clerkship
- Complete form and upload to Sakai by end of 1st week
- Will be reviewed at mid-clerkship meeting

Absences and Sickness

- Any absence must be reported to the school, Vivian, myself, and your team/attending
- Preapproved requests
